## Satellite Lunch Symposium at SICOT 2025 – Madrid

Take a moment to recharge and get inspired. We are pleased to invite you to an exclusive Satellite Lunch Symposium hosted by Genostis during the SICOT Congress 2025 in Madrid – a focused session where clinical expertise, AO principles and Swiss engineering meet in the service of affordable, uncompromising trauma care.

**Speaker:**

Dr. Juan Maria Martín de Arriba  
Orthopaedic and Trauma Surgeon,  
Valencia (Spain)

**Date & Time:**

4 September 2025, 13:30 – 14:30

**Location:**

Bratislava Conference Room,  
Floor 4, IFEMA Madrid

**Programme Highlights:**

- Experience and clinical cases presented by Dr. Juan Maria Martín de Arriba
- Swiss Generic Osteosynthesis concept
- Interactive Q&A

We look forward to welcoming you!  
Your Genostis Team

Don't miss the chance to visit us at the industry exhibition – Booth No. 9!

Dr. Martín's talk and slides will be in Spanish, with an English version of the slides shown on a second screen. Questions and discussions are welcome in both English and Spanish.

Lunch and refreshments provided.

Seats are limited – early registration is recommended.

**Register
